Central structure made of epoxy powder coated metal and brushed brass or black chrome details. Clear or smoked double-wall cylindrical glasses.

ABOUT

Famiglia di lampade dal design razionale arricchita dai preziosi dettagli metallici e dai diffusori cilindrici a doppia parete che donano una diffusione luminosa affascinante e armonica. La particolare struttura ortogonale e le proporzioni ben equilibrate danno a queste lampade un forte segno avanguardistico pur mantenendo un aspetto formale familiare e raffinato.

Family of lamps with a rational design enriched by precious metallic details and double-wall cylindrical diffusers that give a fascinating and harmonious light diffusion. The particular orthogonal structure and the well-balanced proportions give these lamps a strong avantgarde sign while maintaining a formal, familiar and refined appearance.
